

Rice Louis B., M.D.

EDUCATION

Harvard College, Cambridge, MA	A.B.	1977
Columbia University College of Physicians and Surgeons, New York, NY	M.D.	1983
New York University Medical Center, New York, NY (Internal Medicine)	Intern	1984
New York University Medical Center, New York, NY (Internal Medicine)	Resident	1986
New England Deaconess Hospital, Harvard Medical School, Boston, MA	Clinical Fellow (Infec Dis)	1987
New England Deaconess Hospital, Harvard Medical School, Boston, MA	Research Fellow (Infec Dis)	1990

MAJOR RESEARCH INTEREST(S)

Molecular genetics of gene exchange in Enterococci.
Activity and molecular genetics extended-spectrum b-lactamases of *Klebsiella pneumoniae*.
In vitro activity/in vivo efficacy correlation in the activity of antimicrobial agents.

RESEARCH AND/OR PROFESSIONAL EXPERIENCE

2000-	Professor of Medicine, Case Western Reserve University School of Medicine, Cleveland, OH
1999-	Chief, Medical Service, Louis Stokes DVA Medical Center, Cleveland, OH Vice Chairman, Department of Medicine, Case Western Reserve University School of Medicine, and University Hospitals of Cleveland, Cleveland, OH
1996-2000	Associate Professor of Medicine, Case Western Reserve University School of Medicine, Cleveland, OH
1996-1999	Chief, Infectious Diseases Section, Medical Service, VA Medical Center, Cleveland, OH
1995-1996	Staff Physician, Infectious Diseases Section, Medical Service, VA Medical Center, Cleveland, OH
1992-1995	Research Associate, Research Service, VA Medical Center, Cleveland, OH
1990-1992	Staff Physician, Infectious Disease Section, Medical Service, VA Medical Center, Cleveland, OH
1990-1996	Assistant Professor of Medicine, Case Western Reserve University School of Medicine, Cleveland, OH
